# Welcome to Spira Care

## A Healthcare Experience Designed for Your Life

---

We cared enough to ask what people need – and to listen to the answers. Our unique research took us into people's homes. We heard their stories, saw their paperwork and medications, watched them draw pictures of how they wished healthcare would work for them.

We saw the hardship and the hope of healthcare.

### The Problems

- You told us healthcare was hard to navigate.
- You showed us confusing bills for expensive services.
- You wanted healthcare simplified.

### The Solutions

- Dedicated Care Teams to manage services; resources to support your primary care needs.
- Cut costs, confusion and copays\* at our Care Centers.
- Care Centers for primary care: from doctor visits, on-site lab draws, behavioral health consults and more.

**Welcome to Spira Care – healthcare as unique as you.**

*\*For Spira Care (HMO) members, there are few additional costs incurred at Spira Care Centers. DME may incur 20% coinsurance.*

Above all you can enjoy the peace of mind that comes with choosing Spira Care, where you'll have the support of a Care Team and assistance with any services needed outside the Care Center and in your plan's network.

**Q: How are prescriptions handled through Spira Care?**

**A:** Prescriptions can be filled at any in-network pharmacy. Your Care Team can help you identify a pharmacy that is in network should you have any questions.

**Q: Where can I go for needs beyond what is offered at Spira Care, like specialty care or emergency situations?**

**A:** You have access to your plan's network within the Kansas City metro area. For emergency situations, you are covered both in and out of your plan's network. Services beyond Spira Care (for example, a visit to an in-network specialist or an emergency room) are covered, but co-pays will apply.

**Q: Will I have to change primary care doctors?**

**A:** Yes, for primary care services only, a member is limited to Spira Care providers. Be assured, that many members enjoy the convenient benefits and integrated services offered at Spira Care and members also have access to a team of Care Guides for care and coverage questions.

**Q: Do I need to schedule an appointment or can I walk in? When are the Care Centers open?**

**A:** To ensure the best member experience, you need to schedule an appointment for all care needs. This includes wellness check-ups, physicals, sick care, chronic condition management, immunizations, medical management and refills. We also offer all members \$0 telehealth visits with a Spira Care physician. To learn more about locations and hours, visit SpiraCare.com or call 1-877-774-7265 (TTY: 711).

## STEP 3

A member of the Care Team will lead you to a designated room to meet your provider. If any routine labs are required, we'll take care of that down the hall. X-rays are also available at many of our Care Centers.

## STEP 4

After you meet with your doctor, a Care Guide will answer any questions and make sure you understand your next steps.

## STEP 5

All done!

Now more than ever, we want you to feel confident about getting the care you need in a safe environment. At Spira Care, we've implemented enhanced safety protocols to protect our members and staff. Because your health is everything.

# Preparing for a Specialist Appointment

With Spira Care, visiting a specialist or provider in your plan's network is easy.

**1** While referrals aren't necessary for visiting a provider outside a Spira Care Center, we do recommend working with your Care Guide to determine which specialist in the Blue Medicare Advantage Spira Care (HMO) network best fits your needs. Why? Because Spira Care Guides can match you with an in-network provider to ensure you're able to make the best decision for you and your wallet.

**2** Once a specialist is selected, your Care Guide will connect you with the right person to help you make arrangements, including working with the provider to schedule an appointment.

*You may be charged for care received outside of a Care Center based on your plan benefits.*

Remember to bring your Blue Medicare Advantage member ID card to every appointment and pharmacy. It has all the information your doctors need to file a claim on your behalf.

Prefer to do the research yourself? Log in at [MyBlueKCMA.com](https://MyBlueKCMA.com) to find a provider in the Blue Medicare Advantage Spira Care (HMO) network.
